### EDUCATION

**2027**

**VIT University**

Computer Science &  
Engineering

**2023**

**Kendriya Vidyalaya**

PCM With Computer  
Science(Python)

### SKILLS

Web Dev	<div></div>
MLearning	<div></div>
Data Mining	<div></div>
G-Suite	<div></div>
Statistic analysis	<div></div>

I am an accomplished data scientist and software developer with extensive experience in the technology industry. With a Bachelor's degree in Computer Science from VIT Vellore, I have honed my skills through a series of impressive internships at Microsoft, Ford, Azure, and Adobe.

### WORK EXPERIENCE

**May2022-August2022**

**Ford**

Worked with stakeholders to develop quarterly roadmaps based on impact, effort and test coordinations.

**May2021-August2021**

**Microsoft**

At Microsoft, I gained valuable experience in the field of data analysis, utilizing my knowledge of machine learning algorithms to develop innovative solutions for complex business problems.
